MRAC ACHIEVEMENT AWARD

At a board of directors meeting in March of '52 it was decided to award the Ervin Kreis Memorial Trophy for achievement in the Amateur radio field on a calendar year basis starting with April 1, 1952 for this year and ending on December 31, 1952, thereafter the contest year will be from January 1 to December 31 of that year.

This action was announced at the following club meeting and the members were advised to participate in all A.R.R.L. or club activities for award credit.

Your contest chairman was instructed to draw up a point system for board approval.

At one of the club meetings, volunteers were asked to serve on a committee to assist the contest chairman in laying out this program. Jerry Bergeman, W9LDW; Will Herzog, W9LSK; and Travis Baird, W9VQD responded. A plan was formulated by the committee and subsequently approved by the board of directors.

If by December 31, 1952 you have to your credit any of the listed A.R.R.L. awards or during the contest period April 1, 1952 to December 31, 1952 won any of the listed contests, are a regular member of an amateur net or holder of a A.R.R.L. appointment please compute your score on the enclosed form.

Scores must be in the hands of your contest chairman by January 10, 1953 or mail postmarked not later than January 10, 1953.

Some A.R.R.L. contests took place before April 1, 1952 but are listed for scoring in 1952.
3

First, second and third place in A.R.R.L. contests will be on a inter club basis and in order for a member to get his due credit, his log for these contests must be in the hands of your contest chairman with enough time so that he can mail in into A.R.R.L. headquarters before the contest deadline.

First place winner will receive the W9HRM trophy, second and third place winners will be given certificates.

MRAC ACHIEVEMENT AWARD - NOVICE CLASS

First, second and third place certificates will be awarded to the three high scoring club members who have held a novice ticket at any time during the contest period. Credit will be given only for operation as a SWL and novice in this class. Mark your score sheet for novice competition.

The A.R.R.L. Booklet "Operating An Amateur Radio Station," is also enclosed with this announcement to give you full information on A.R.R.L. activities.

For further information contact your contest chairman.
